

Dear SUMO Member,

Beginning February 14, 2022, there is a **new NDC number for TIBSOVO® (72694-0617-60)\***, the old NDC number was 71334-0100-01. SERVIER has new product packaging. The product itself remains the same. Listed below are pictures of the updated product packaging and ordering information.

**Updated Product Ordering Information:**

Description	Strength/Size	Supplier	New NDC #
<b>TIBSOVO® (ivosidenib tablets)</b>	<b>250 mg tablet 60 tablets/bottle</b>	<b>Servier Pharmaceuticals</b>	<b>10 Digit # 72694-617-60  (11 Digit # for ordering 72694-0617-60)</b>

\*Per the TIBSOVO® label, the NDC code is 10 digits. We are supplying the 11-digit code for ordering convenience.

**Updated Product Label and Packaging:**

**The ordering process for TIBSOVO® remains the same.**

For full prescribing information regarding TIBSOVO®, please see accompanying PI or visit [www.tibsovo.com](http://www.tibsovo.com).

Servier understands the importance of supplying product to our patients and are committed to ensuring there will be no interruption in supply. We look forward to working with you.

Sincerely,

*Robert Paglia*
